TRUTH IN TAXATION

- By foregoing the Certified Tax Rate, the City will be required to hold a Truth in Taxation Hearing. The date of the hearing is set by the Salt Lake County Assessor and will be scheduled for early August.

The background of the image is a dark, textured surface featuring a complex arrangement of interlocking gears and mechanical components. The gears are rendered in a dark blue-grey color with a metallic, slightly reflective texture. They are of various sizes and are positioned in a way that suggests a complex mechanical system. The word "QUESTIONS?" is superimposed over the center of the image in a bold, white, serif font. The text is slightly shadowed, giving it a three-dimensional appearance as if it's floating or resting on the mechanical parts. The overall mood is one of mystery and intellectual inquiry.
