

**City of South Salt Lake's Special Events Permit Application**  
**Instructions, Processing & Insurance Requirements**

**INSTRUCTIONS AND PROCESSING REQUIREMENTS**

**Applications must be submitted no later than 14 days before the event set up date** to allow adequate time for various City Departments and outside agencies to review the details of the permit request and make their recommendations. **Applications aren't considered ready for review until all items are clearly marked and both a map and event description are included.**

**A Detailed Site Map must be included with the application before the review process begins.** The site map should clearly include: proposed road closures, barricade plan, merchant booths, food vendors, portable toilets, tables, tents, fencing, stages, and any other activities or special requests. **Site maps for parades must include information regarding the number and type of floats and other entries, locations of advance staging and disbanding areas.** *Be aware that if you are faxing a map, many elements may not be visible.*

**A Commercial General Liability Insurance Policy** is required to hold an event within the City of South Salt Lake (see attached Insurance Requirement Instructions following the application). **Although you may receive your event permit, the permit itself is invalid if the Insurance Certificate is not received (7) days before the set up date of the event.**

**A Park Reservation is required when requesting to use a City of South Salt Lake Park** to hold a Special Event. Please contact Parks and Recreation to make that reservation.

**COST RECOVERY ELEMENTS-** Be aware that you may be responsible for paying for city services beyond "basic city services". A permit will not be issued until the cost of the estimate has been paid or security posted.

**The City recommends that you do not print** brochures, packets, maps, advertisements, etc., or circulate promotional information until you have City approval of your event. The City will not be responsible for those printed materials, promotional information, etc. if dates, sites, and/or other requested services are denied, amended, or changed during the permit process.

**The City follows the Salt Lake Valley Health Department noise ordinance.** This can be found at <http://www.slvhealth.org/envRegs/reg21CommunNoisePolluCtl.html>. Please refer to this for sound guidelines for your event. A copy is on file in the Recorder's Office for your reference.

**If your event will last more than 2 hours and will be attended by more than 500 people, you must obtain a Temporary Mass Gathering Permit.** This is obtained through the Salt Lake Valley Health Department. A form is on file in the Recorder's Office for your convenience.

**City of South Salt Lake's Special Events Permit Application**  
**Instructions, Processing & Insurance Requirements**

**INSURANCE INSTRUCTIONS & REQUIREMENTS**

The applicant for a special event permit must possess or obtain special event commercial general liability insurance. The policy must protect South Salt Lake City, the applicant, and anyone directly or indirectly employed by either of them. The insurance must provide coverage for premises operations, acts of independent contractors, and completed operations during the event time period. The event time period includes the dates of the set-up, scheduled event, take down, and clean-up operations. The coverage must be indicated on the certificate of insurance as "Special Event" coverage in the "Description of Operations" or the insurance company must supply the City with the original insurance policy evidencing the "Special Event" coverage.

Evidence of the required insurance must be provided to South Salt Lake City no less than (7) days before the event set up date. The event permit will be canceled if the City does not receive such evidence by that deadline. It is the applicant's responsibility to see that their insurance company/agent receives the proper insurance instructions and forwards the proper evidence of insurance to the City by the deadline.

**INSURANCE REQUIREMENTS:**

- 1. Minimum coverage of \$1,000,000 per occurrence with a \$2,000,000 general aggregate.**
- 2. The insurance must be issued by an insurance company licensed to do business in the state of Utah and either: (a) currently rated A- or better by A.M. Best Company; or (b) listed in the United States Treasury Department's current Listing of Approved Sureties (Department Circular 570), as amended.**
- 3. The policy or endorsement must name as an additional insured the applicant, South Salt Lake City and its officers, employees, and agents, and as required, any other public entity involved in the event. The date and title of the event must be clearly stated.**
- 4. If any work for the event is subcontracted to a separate company, the applicant must require the subcontractor to provide special event commercial general liability insurance with the City as an additional insured, in the required minimum amounts.**
- 5. The certificate and policy must provide that coverage shall not be canceled or modified without providing 14 days prior written notice to the City in a manner approved by the City Attorney.**
