

CONSTRUCTION NOTICE

Notice Date: July 14, 2022

Construction of 500 West from 3300 South to 3900 South is expected to begin late July 2022 and continue through Fall 2023.* Expect one-way travel in the northbound direction throughout the construction zone – southbound closed.

**Construction schedules are subject to change*

Project Elements:

- Improvements to the 3300 South 500 West intersection
- New roadway striping for wider lane widths and bike lanes
- New roadway surface
- Upgraded utilities
- Reconstruction of existing sidewalk, curb and gutter that have been damaged

What to Expect:

- 500 West closed to southbound traffic from 3900 South to 3300 South during construction
- Narrow travel lanes with no shoulder area
- No on-street parking
- Noise, dust and vibration
- Intermittent driveway
- Intermittent side street access closures
- Construction vehicles and equipment in the area
- Travel delays in the work zone
- Potential utility disruptions
