

Plant a Tree - For Free!

South Salt Lake Community Connection is offering donated trees and volunteers ready to plant a tree in your front yard or park strip.

Trees and nature are proven to reduce stress, improve mental and physical health and of course make homes and neighborhoods more livable. A single healthy, mature tree adds an average 10% to a property's value?

It is FREE, no strings attached. We promise.

Simply contact us to sign up or contact us to suggest someone who qualifies:
Urban Livability at 801.464.6712 or vlelo@southsaltlakecity.com

for a safer, cleaner, more beautiful South Salt Lake
